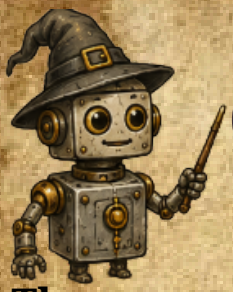
EVENT OVERVIEW

CYBERFEST 2K26 is an innovative robotics competition by Cyberbots for students from Grades 3–12, celebrating creativity, teamwork, and applied STEM learning. Inspired by the magical world of Harry Potter, participants solve real-world challenges, navigate engaging mazes, and design solutions using electronic components, sensors, and coding in a supportive environment.



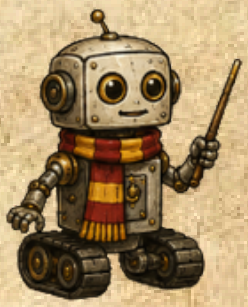
EVENT OVERVIEW

The competition is structured into six dynamic categories, each tailored to the skill levels and interests of the participants:

Zone 1A:

Category: (Grades 3–5)

Zone Name: Chamber of Circuits



Zone 1B:

Category: (Grades 3–5)

Zone Name: The Triwizard Quest

Zone 2A:

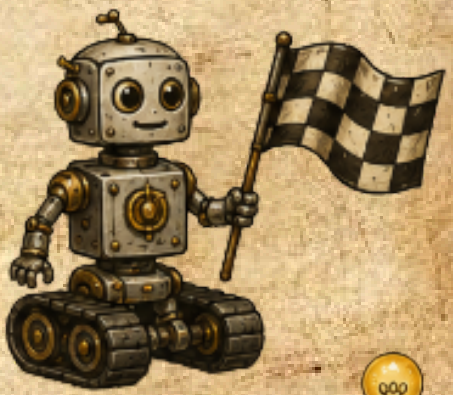
Category: (Grades 6–8)

Zone Name: The Founder’s Vault

Zone 2B:

Category: (Grades 6–8)

Zone Name: Wizard’s Rally



Zone 3A:

Category: (Grades 9–12)

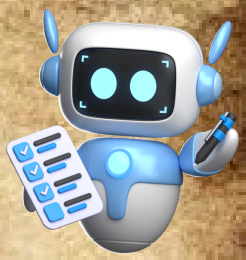
Zone Name: Clash of Wizards

Zone 3B:

Category: (Grades 9–12)

Zone Name: The Next Big Idea - Venture X

GENERAL GUIDELINES



- All students must attend the event in their respective school uniforms.
- Their school ID card is mandatory for every participant.
- Participants in Zones 2B and 3A must ensure they carry the specific bot required for their respective zones.
- All participants must bring their own lunch. Non-vegetarian food is strictly not allowed inside the campus.
- Participants must maintain discipline and decorum throughout the event.
- All participants must strictly follow the rules and regulations of their assigned competitive zone.
- Any participant found misbehaving or violating rules will result in team disqualification.
- Panel of Judges decisions are final and binding on all participants.
- Participants should arrive on time for their reporting and competitive schedules. Late entries may not be permitted.
- Any kind of damage to property, equipment, or venue will lead to penalties and may result in disqualification.

ZONE 2B

GRADE 6 - 8

Wizard's Rally

Event Description:

Game Play:

Deep within a wizarding enchanted world lies an exciting racing arena, where magical machines come alive and skilled racers take control. Guide your robotic racer through the challenging track, overcome obstacles, and prove your speed, precision, and strategy in this thrilling robotics challenge.

Rules and Regulations:

- This is an Individual Bot-to-Bot Event.
- Participants must use only the provided wireless robot and controller.
- All challenges must be completed in sequence.
- Manual handling of the robot during the race is not permitted.
- Any damage to the arena or equipment will result in disqualification.
- The judges decision will be final.

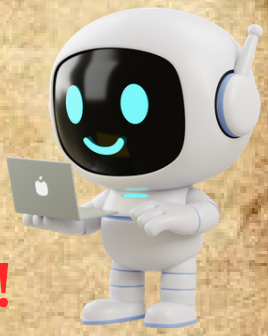
Prelims:

- 10 Minutes | Individual Event
- Take control of your wireless bot using the magical remote and navigate through a series of challenging off-road hurdles.
- Master your bot's balance, speed, and precision, overcome every hurdle, and cross the Wizarding Finish Line to complete the quest.

Mains:

- 8 Minutes | Individual Event
- Take control of your wireless bot and face the same off-road course, but with greater speed and pressure.
- Use smart strategies, quick decisions, and precise control to overcome all the hurdles and cross the Wizarding Finish Line before time runs out.

Scoring:



Dear CYBERFEST Champions!

We are incredibly proud of each one of you for stepping up and participating in all zones! Your hard work, creativity, and passion for innovation have already made you winners. Remember — this journey is not just about the competition, but about learning, exploring new ideas, and having fun along the way. Keep believing in yourselves and supporting each other as a team.

Best of luck! Go shine bright and show the world what young innovators like you can do!

We are cheering for you... always!

All the very best, and keep making us proud!
