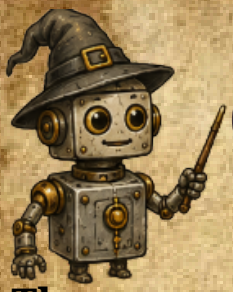
EVENT OVERVIEW

CYBERFEST 2K26 is an innovative robotics competition by Cyberbots for students from Grades 3–12, celebrating creativity, teamwork, and applied STEM learning. Inspired by the magical world of Harry Potter, participants solve real-world challenges, navigate engaging mazes, and design solutions using electronic components, sensors, and coding in a supportive environment.



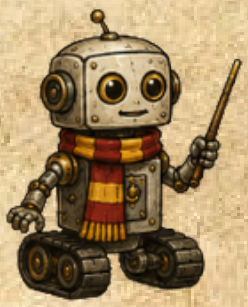
EVENT OVERVIEW

The competition is structured into six dynamic categories, each tailored to the skill levels and interests of the participants:

Zone 1A:

Category: (Grades 3–5)

Zone Name: Chamber of Circuits



Zone 1B:

Category: (Grades 3–5)

Zone Name: The Triwizard Quest

Zone 2A:

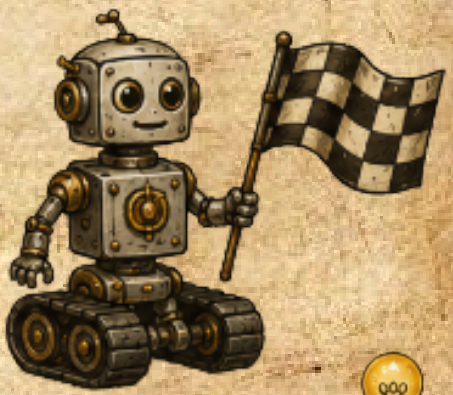
Category: (Grades 6–8)

Zone Name: The Founder’s Vault

Zone 2B:

Category: (Grades 6–8)

Zone Name: Wizard’s Rally



Zone 3A:

Category: (Grades 9–12)

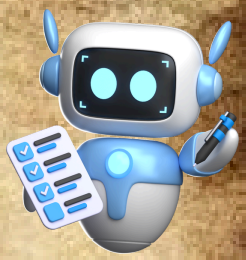
Zone Name: Clash of Wizards

Zone 3B:

Category: (Grades 9–12)

Zone Name: The Next Big Idea - Venture X

GENERAL GUIDELINES



- All students must attend the event in their respective school uniforms.
- Their school ID card is mandatory for every participant.
- Participants in Zones 2B and 3A must ensure they carry the specific bot required for their respective zones.
- All participants must bring their own lunch. Non-vegetarian food is strictly not allowed inside the campus.
- Participants must maintain discipline and decorum throughout the event.
- All participants must strictly follow the rules and regulations of their assigned competitive zone.
- Any participant found misbehaving or violating rules will result in team disqualification.
- Panel of Judges decisions are final and binding on all participants.
- Participants should arrive on time for their reporting and competitive schedules. Late entries may not be permitted.
- Any kind of damage to property, equipment, or venue will lead to penalties and may result in disqualification.

ZONE 3B

GRADE 9 - 12

The Next Big Idea — Venture X

Event Description:

Game Play:

At the heart of the challenge, a final secret awaits — a task where no guide can provide the answer and imagination becomes your greatest power. Invent, build, and unveil your next big idea to prove that true innovation comes from those who dare to create the future.

Rules and Regulations:

- **Each team must consist of 2 participants.**
- **Teams must select a topic from the given Innovation Domains.**
- **An AI Research Poster is mandatory; a working prototype is optional but encouraged.**
- **Presentations must be completed within the allotted time.**
- **Both participants must actively participate in the presentation and Q&A session.**
- **The judges' decision is final.**

Prelims:

- Participants must initially submit an abstract outlining their proposed prototype for evaluation by the designated panel. Only shortlisted prototypes will be selected to proceed to the subsequent stage of the competition.

Mains:

- Identify a real-world problem and transform your idea into an innovative magical solution using Robotics, AI, IoT, Automation, or Smart Technology.
- Prepare your Research Scroll (Poster), present your invention before the Wizarding Council, demonstrate your prototype if available, and answer their technical questions.

A1 Research Poster – Criteria:

- Project Title
- Problem Statement
- Objectives
- Proposed Solution
- Technologies Used
- Working Principle
- Block Diagram / Flowchart
- Applications
- Future Scope
- Conclusion

Innovation Domain:

Domain	Possible Focus
Water Management	Water conservation, efficient use, monitoring, treatment, reuse and reduction of water wastage.
Reuse, Repairing & Refurbishing	Extending product life through repair, reuse, refurbishment, upcycling and responsible resource use.
Sustainable Education	Solutions that improve accessibility, efficiency, inclusiveness and sustainability in education.
Sustainable Healthcare	Solutions addressing healthcare access, safety, efficiency, affordability, resource use or patient support.
Sustainable Agriculture & Food Innovation	Smart farming, food production, food waste, storage, distribution and responsible consumption.
Green Transportation & Mobility	Cleaner, safer and more efficient movement of people and goods.

Dear CYBERFEST Champions!

We are incredibly proud of each one of you for stepping up and participating in all zones! Your hard work, creativity, and passion for innovation have already made you winners. Remember — this journey is not just about the competition, but about learning, exploring new ideas, and having fun along the way. Keep believing in yourselves and supporting each other as a team.

Best of luck! Go shine bright and show the world what young innovators like you can do!

We are cheering for you... always!

All the very best, and keep making us proud!
